

# 3kw

## Product

Solar Panel

## Specifications

Type: Half-cell Monocrystalline PV Module Max Power: 450W  
Size: 1930\*1160\*35 mm  
25 years power output guarantee

## Introductory Price

8 x  
(8\*450W=3600w)  
\$500.99  
\$4,007.92

Solar Inverter

3500va/3500w  
24v/100A mppt5000W PV range: 120-450vdc

\$1,248.06

LifePo4 Battery

24V/200AH per piece  
Super Graphene LifePo4 lithium cell Wall-mounted design, easy  
installation Smart Elite BMS

\$4,340.9  
7

Solar Panel Rack

Roof type mounting rack including complete  
fittings, Mg-Al-Zn alloy  
(Rack can be customized per request)

\$842.64

Cables

1.International standard, with specification suitable for solar system, PV1-F- 1\*4  
series red  
and black 2.  
International standard, with specification suitable for solar system, BVR- 1\*10 series  
red and blue

\$567.16

PV Array Combiner

One 210 Stainless steel distribution box Isolator  
63A(2P) Surge Protector 40KA(2P) Air Switch 32A(2P)  
Over voltage protector 63A(2P)

\$347.68

WIFI  
Monitoring Module

Monitor, troubleshoot, or communication and Complete installation

\$635.58

Total \$11.990
