

# 5kw

## Product

Solar Panel

## Specifications

Type: Half-cell Monocrystalline PV Module Max Power: 450W  
Size: 1930\*1160\*35 mm  
25 years power output guarantee

## Introductory Price

11  
(540W\*11=5940W  
) \$563.52/panel  
\$6,942.57

Solar Inverter

5500va/5500w48v/100A mppt5500W PV  
range: 120-450vdc

\$1,318.78

LifePo4 Battery

48V/150AH per piece  
Super Graphene LifePo4 lithium cell Wall-mounted design, easy  
installation Smart Elite

\$5,136.6  
3

Solar Panel Rack

Roof type mounting rack including complete  
fittings, Mg-Al-Zn alloy  
(Rack can be customized per request)

\$1,383.
